For the purpose of this program, TTC Tour Brands include Trafalgar, Cost saver, Brendan Vacations, Insight Vacations, Luxury Gold and Contiki. Discount tier is calculated based on Travel Advisor's individual gross land tour sales from travelled the previous calendar year excluding pre/post, extensions, air, insurance and custom groups. Sales revenue cannot be combined between Advisors/Agencies. To qualify, Travel Advisor must be working with an active IATA number at the time of travel and have completed the required eLearning course(s). TTC Tour Brands reserves the right to validate all information. Travel Advisors who qualify for a discount amount will have the remainder of the sales year in which it was earned plus an additional calendar year to redeem. The above discounts can only be redeemed once in a single calendar year. Discounts can be used on any of our TTC Tour Brands guided vacations. Discounts apply to land only packages and no discount is available on cruises, trains, air, intra-trip air and extensions. Discounted trips (Advisor or Companion) are non-commissionable. The first tier is not eligible for discounts on Single Supplements (twin share rate only). Discounts are not combinable with any other discounts, special offers, or previously collected travel cash. Discounts are subject to availability and some trips will be blacked out, including but not limited to special events such as: Oberammergau, Edinburgh Tattoo, Oktoberfest, Keukenhof, Chelsea Flower Show, Holi Festival, Christmas, and New Year's departures. Deposit is required, per person if applicable, within three days of booking. Any deposit not received in this time will result in the booking being cancelled and loss of seats on chosen trip. The balance of the trip costs must be paid within dates listed on the invoice. If any changes or cancellations are made 60 days prior to departure the discount will still be valid for the remainder of that calendar year to rebook. If the discount is not used within that calendar year it will be forfeited. Policy and discounts may change at any time without notice. Other conditions may apply. All vacations and discounts are subject to availability and TTC Tour Brands approval. This Travel Advisor Discount Program replaces all previous travel discount or cash rewards programs. \*\*Refers to maximum per person monetary discount available TICO# R50015870
